Address: 8845 Sheridan Rd, Kenosha Wisconsin, Kenosha, Wisconsin, United States  
Price: 129730.00 USD

Description:  
\$129,739.00 <https://www.5startools.com/tools-1/39-feet-long-6-towers-heavy-duty-semi-trucks> The 5STAR Frame Machine is a chassis is for heavy duty vehicles of all types. It is widely considered to be the most accurate and efficient system available on the market today, with unlimited possibilities of configuration and installation to fit your shops needs. Semis and large trucks require special equipment to be able to handle the truck frame straightening that is required to ensure the vehicle is fixed properly. We at 5STARTOOLS takes the guess work out with the use of a full size truck frame straightening bench. The 5STAR Truck Frame Straightening Machine is one of the most powerful, heavy-duty frame straighteni...
