Address: Alamance, North Carolina, United States

Price: 12.00 USD

Description:

Ginsey Nickelodeon PAW Patrol 10 Piece Finger Puppet Party Pack New Paw Patrol Finger Family is very nice product. My granddaughter loves these and plays with them everyday. She had another set of these and was upset bc she lost some of them. I got these and she was excited takes them with her everywhere we go! I definitely recommend I definitely think it was a good deal Promised Review by Clarissa Wright
