Price: 5.00 USD

Description:

Our customer's review "So my first time eating Indian food & I tried 4 appetizers, the soup, the fried cheese, the samosas, & the Chaat Samosas & I also ordered the garlic naan..I enjoyed everything. The next day I had some of the leftover soup & Chaat Samosas & it was even better! Very flavorful since the flavors had more time to drop & develop. Will go to try the lamb next time!"
