Description:

Product Description Youre a gamer first, you shouldnt have to spend the cost of an ultrawide monitor to get an ergonomic gaming chair. The RESPAWN 110, in Green, delivers comfort and cost savings in one package. The chair tilt and lift levers are located on the right, beneath the chair, and the fixed armrests are padded for elbow relief. The RSP-110 features bonded leather and a 155-degree tilt, with infinite angle lock, allowing you to choose your best angle. The adjustable lumbar and head pillow gives you the support you need for long hours in any game. Put your feet up and relax with a built-in extendable footrest. An award-nominated brand, RESPAWN is committed to your satisfaction and covers this desk with ...
