Address: 5301 Polk St. Building 21, Houston, Houston, Texas, United States

Price: 199.95 USD

Description:

The classic of the classics, this is the first raised garden bed kit we launched. The 3.5' x 6.5' and 2' x 8' configurations are among the most iconic designs for anyone who is new to garden beds. The height is also great for easy, quick access when gardening and assists in keeping slugs and pests at a minimum too. Great for growing herbs, succulents, veggies, or flowers.
