Address: Hawi, Hawaii, United States

Price: 175.00 USD

Description:

The Cottage is a studio gazebo with a king bed and sitting area with kitchenette. It has a full size refrig, 2 burner stove with oven, microwave, coffee maker. The Bath House Gazebo connected by deck has a old fashion clawfoot tub with an outside garden shower. Awesome ocean views of Maui, sunsets. Walking distance to the ocean, hiling trails to the historical sites, King Kamehameha's bith site and Heiau. The whale watching is so cool. Sometimes we can hear the whales flapping their tails and sing their song. It is a "special place".. we call it a Hawaiian Experience. Very Private. Only two houses on this road.. Old Coast Guard Road... Come visit
