Description:

Do you want to help Maps applications become more helpful for everyone? Join our team of Search Engine Evaluators today! We are currently looking for long-term participants for our new project, MILKY WAY. During this Search Engine Evaluation project, participants will evaluate the quality of queries made by internet users while navigating through different MAP applications (e.g. coffees near me). Purpose: Thanks to this project, we will help develop and optimize current and future map and geo-localization applications, to produce more accurate and intuitive maps in terms of location, search functions, and more! Important information: Join our paid program* to enter the Milky Way project! This program is divided into...
