Description:

It all begins with a haircut consultation with one of our skilled stylists. Our design experts take the whole you into consideration when it comes to choosing the ideal haircut. From your bone structure and unique facial features, to the type of lifestyle you lead and how you wish to be seen. The result is the perfect cut or cut and style that appeals to the sense of who you are, and who you want to be. We also make sure that any cut and style you choose is easily styled at home in front of your bathroom mirror.
