Address: 4775 Peachtree Industrial Blvd. #310 Berkeley Lake, GA 30092, Berkeley Lake, Georgia, United States

Description:

After receipt of accounts from creditors, collection agencies run actions designed to ensure that the account is eligible to be collected, secure the most accurate or available data about the account holder, and load the account into their database. Recovery techniques include sending letters and emails, telephonic communication, and credit bureau reporting. The creditor and the consumer agencies will try to obtain payment in full, negotiate payment arrangements, agree on a settlement amount or help the consumer work through the process of disputing the debt for various reasons. Agencies are typically contracted to work the accounts for a specified time period. Costs play a significant part in the debt collecti...
