**Description:**

SCALE Healthcare is based on the foundation of a singular focus elevating management performance across healthcare services. We are dedicated to partnering with management teams across every city and state, and across every clinical specialty, as they in turn endeavor to build great healthcare services companies. Our value add is derived from a deep understanding of the many areas of expertise required to execute an invariably complicated healthcare company, and the time and effort we have invested in gathering, organizing, perfecting and then offering that expertise to our clients through a highly practical, efficient, and cost effective structure. SCALE Healthcare and its subsidiaries are located in over 1...
