An advertisement for Safarivet Veterinary Care Centers. The top half has a white background with a large blue paw print in the center. To the right of the paw print is a cartoon illustration of a dog with white fur and large orange patches, sitting and looking up. On the left, there is a block of text in blue, all-caps font. The bottom half of the advertisement has a dark blue background. On the left, there is a white globe icon followed by the website address. In the center, there is a white telephone handset icon followed by a phone number. On the right, the word 'safarivet' is written in white, with 'safari' in a larger, bolder font and 'veterinary care centers' in a smaller font below it. A white fingerprint icon is to the right of the text.

If you have a pet that's in need of help with their mobility, don't hesitate to give them a try! Therapeutic Lasers for dogs can help your pet improve their mobility and overall health. Therapeutic Laser for Pets is a laser therapy that increases blood flow, increasing nutrients and oxygen to the parts of the body that need it most. It also helps reduce swelling and edema by increasing circulation in those areas. SafariVet Therapeutic Laser for Pets has been proven effective at helping cats, dogs, horses, rabbits, ferrets, pigs, birds and other small pets who are suffering from joint pain or arthritis in League City.
