Phone: 1-800-258-0129

Address: 3611 N Staley Rd Suite D, Champaign, Illinois, United States

Price: Check with seller

Description:

The Predator UPS Uninterrupted Power Supply (UPS) series is the Rugged UPS Systems is perfect for high reliability MIL-SPEC, SHIPBOARD, and RUGGED applications because it offers uninterrupted 1 to 10kVA clean sine wave power that prevents unexpected shutdowns brought on by power gaps. It has sturdy rack and tower designs for networking, servers, and other electronic equipment installation that is both economical and space-efficient.
