Address: 1400 Broadfield Blvd, Houston, TX 77084, USA, Houston, Texas, United States

Price: Check with seller

Description:

Forklifts are industrial machines that are used in multiple industries such as construction, recycling, and in dockyards and warehouses to lift, carry, and stack materials. New and used forklifts for sale vary greatly in size and capability, with some able to lift one ton for general warehouse work and others able to lift up to fifty tons to carry heavy shipping containers.
