Description:

Dyslexia is a common learning difficulty. It mostly affects the abilities needed for precise and fluent word reading and spelling. We at I Empower, LLC, offer dyslexia training program, both online and in-person (based on COVID-19 protocols) for parents, parent groups, educators, and pretty much any other group interested in learning more about the lookouts for dyslexia. We can even adjust the training's duration to best suit your demands. In addition to that, we provide services for dyslexia screening. To know more about our dyslexia training program online.
