Address: 621 East 11th St., New York City, New York, United States

Price: Check with seller

Description:

28Muses is the culmination of two decades of creative collaboration between founders Alyssa Gundred and Jing Wang Herman, who were randomly assigned roommates at NYU and discovered the power of reconnecting adults with their curiosity and imagination. Over 15 years they collaborated on many immersive experiences with artists in NYC where the most common word used to describe them was magical. If you are new to our website, please feel free to discover and learn about LEGO Serious Play workshop in NYC.
