Address: 475 Metro Place South Suite 120 Dublin, OH 43017 USA, Dublin, Ohio, United States

Price: Check with seller

Description:

It is a constant challenge for medical professionals to gain practical knowledge, and VR solves this! With VR learning, healthcare can be transformed into a more sophisticated, safe, and efficient in an immersive environment. It becomes easy for students to understand concepts and for teachers to explain them. It is a game changer in healthcare progress.
