Description:

Ohio workers compensation is a complicated and constantly changing area of law. Without question, an injured individual needs an experienced workers compensation attorney to file a claim. Let a skilled lawyer from NRS Injury Law help. Our attorneys, trained paralegals and staff assist you through the complicated and often frustrating Bureau of Workers Compensation (BWC) system. Our experienced legal staff helps injured workers get the workers comp benefits they are entitled to. Each year the attorneys at NRS handle more than 10,000 hearings before the Ohio Industrial Commission. Whether the issue is payment of a medical bill, payment for lost time from work or adding an additional condition to a claim or settle...
