Description:

This 1935 Elbridge is the smallest size 88-key Baby Grand piano made by the Winter Piano Co. Measuring only 4'ft.5" front to back and 4'ft.5" wide, it still has a powerful rich tone, with smooth pedal movement, and well-regulated key action. The keys are all the original with No chips or nicks, and the sounding board is totally intact. The finish is dark walnut with excellent semi-gloss varnish. If you have limited space yet want the full tone and elegance of a grand, this English walnut wood piano case with matching bench fills the bill. After transporting this instrument to your home, I recommend a piano tuning, to make every note crisp. Call for more photos and suggested movers .REDUCED PRICE: \$ 2800 PHONE: ...
