Phone: 1-541-780-2222

Address: 207 E 5th Ave Ste 220, Eugene, OR, Eugene, Oregon, United States

Price: Check with seller

Description:

Eco-friendly house cleaning is becoming increasingly popular in Eugene. Traditional cleaning products can be harmful to the environment and to our health. But there are many ways to clean your home without using harsh chemicals. Try using natural products like vinegar, lemon, and baking soda. Use reusable cloths instead of disposable ones, and invest in a good vacuum cleaner with a HEPA filter. By making small changes, you can clean your home while protecting the planet.
