Address: 3502 A Lakeview Pkwy, Rowlett, Texas, United States

Price: Check with seller

Description:

To relax muscles and soothe stiff joints, this collection includes heating pads and paraffin bath unit. These heating pads not only reduce muscle pain, but they also help to keep the skin moist. They are used as arthritis care when body joints become painful and stiff. It improves blood circulation and relaxes the muscles. The heat pads are equipped with a hand-held switch to start and turn off the heating process.
