Price: Check with seller

Description:

Bathroom care accessories are specifically designed to provide protection and reliability to elderly and disabled patients. Their main aim is to provide assistance to them in the bathroom. These products are easy to use and make sure you don't fall or slip, and also help minimize your contact with the toilet germs. Get a wide range of bathroom care products such as bath and shower bench, shower stools, bath chairs, bedside commodes, commode pail, commode liners and other products from ACG Medical at an affordable cost
