Description:

Oolong tea is a partially fermented tea, and its unique flavor comes from the combination of both green and black tea varieties. Halmari Tea's Oolong tea is handpicked from the finest tea gardens, ensuring that only the best quality leaves are used to make the tea. The leaves are then carefully processed to maintain their natural flavor and aroma. The company offers hand-rolled oolong tea which has a rich texture. The tea is packed in airtight containers to preserve its freshness, ensuring you get the best cup of tea every time. Ordering from Halmari Tea is easy and convenient, with their online store offering a wide selection of tea varieties. The company ships its tea to all parts of the USA, making it easy f...
