Description:

The IRS tax settlement program maryland is a program offered by the Internal Revenue Service (IRS) to taxpayers who owe back taxes. This program is designed to help taxpayers settle their tax debt for less than the full amount owed. The IRS tax settlement program is available to taxpayers in Maryla, as well as other states. Paragon Tax Solutions is a tax resolution firm based in Maryland that specialises in helping taxpayers with tax debt. The firm offers a variety of services to help taxpayers settle their tax debt, including the IRS tax settlement program.
