Description:

Tactical Pest Control is a pest control company serving Bakersfield, CA, and the surrounding area. With years in the pest control industry, Tactical Pest Control is purpose-driven and mission-focused, with a results-based approach to protecting investments, quality of life, and helping people rid their homes, businesses, and environments of destructive and pesky insects and rodents. We provide extensive termite treatment for all common household pests and molds. In addition, our exterminators will carefully sweep the entire area, identifying all nests and eliminating infestations at their source while setting preventative measures to avoid future breakouts.
