Embark on an unforgettable adventure with Wild Voyager's Masai Mara Ngorongoro safari, where you'll explore two of the most renowned wildlife destinations in Africa. Beginning at the stunning Masai Mara National Reserve, you'll be immersed in a picturesque landscape dotted with acacia trees and savannah grasslands, home to an abundance of wildlife including lions, leopards, elephants and wildebeests among others. As your journey continues into Tanzania's Ngorongoro Conservation Area - a UNESCO World Heritage Site - you will discover one of the largest volcanic craters in the world teeming with diverse habitats that support over 25,000 animals such as rhinoceroses and African buffaloes. With expert guides leadin...
