Description:

We are accepting reservations for the new Pit Bull Lilac and BlueLine litter, born on April 26, 2023. The parents have an excellent character and we expect the same from the puppies. Our dogs are socialized from day one and the puppies go through the same treatment. Upon they go into the new home, they will be vaccinated and cleaned of parasites. Our dogs live all over the world and we support all owners 24/7 throughout their lives. We are always in contact with the new owners and together we track the progress and growth of the puppies.
