Description:

IT STAFFING-3A Resources is a high-performance, employee-owned, boutique recruiting firm. We achieve this through a unique and proven model which financially incentivizes self-directed, highly experienced, full-desk recruiters to collaborate with each other on every search, resulting in unparalleled depth and speed. At 3A Resources, our mission is resolute: to place the best and brightest talent in the markets we serve, in the most sought-after roles, with the most sought-after companies. 1. Extensive Network Of Qualified IT TalentCandidates should be vetted through a comprehensive workflow for screening, assessing, and validating skills, experience, and qualifications. Using an IT staffing company with a varie...
