Description:

Brown Law, P.L. [www.BrownLawPL.com](http://www.BrownLawPL.com) 407-344-3400 Why should an individual or their health insurance company have to pay for injuries and damages caused by a negligent party? We at Brown Law, P.L. don't think that should happen. So we go to work for you from the initial consult, whether that be here in the office or at the hospital. We get all of the facts and details pertaining to your claim, immediately send out our letters of representation, and will help you find the appropriate physician either near home or work, whichever is more convenient for you. Most injuries require medical appointments of 2-3 times a week. So we have researched for you doctors in different areas of town and with extended hours for you...
