Address: 280, Moon Clinton RD, Moon Twp, Coraopolis, Pennsylvania, United States

Price: Check with seller

Description:

Revol LIMS is a complete laboratory information management system. Revol LIMS plays an important role in a laboratory to increase the operational efficiency of the laboratory by automating and streamlining the workflows, eliminating the need for maintaining information manually and meeting regulatory guidelines. Revol LIMS facilitates both easy record-keeping and reporting, thus eliminating the risks of human errors and improving the overall turnaround time.
