Description:

Known as one the largest tea manufacturers in the world, Indias love for tea is unparalleled. We call our tea chai and it is the most-consumed drink after water. A tea lover cannot start their day without a refreshing cup of tea. This beverage is like an elixir to them. But, how would you feel sitting in a tea garden and relishing a cup? Amazing, right? Well, it is not always possible to travel to a tea garden and enjoy a cup of tea in its purest form. For that, you can get your favorite tea from Halmari Tea. It is basically a tea estate in Assam that produces authentic Assam black tea along with various other variants of tea. The teas of Halmari are environmentally friendly and with each cup, you will feel lik...
