Address: 801 Barton Springs Road, Suite 900, Austin, Texas, United States

Price: Check with seller

Description:

Say goodbye to messy applications! The insect powder duster applicator ensures precise and clean dispersal of non-toxic diatomaceous earth for effective pest control. Perfect for hard-to-reach spots, corners, and cracks, this eco-friendly tool makes combating household pests a breeze. Convenient, efficient, and reusable make pest control a one-handed operation. Embrace a cleaner, greener solution with the powder duster today!
