Price: 9.99 USD

Description:

How to set up a Vocational Training School Business Plan plus 3 year Financial projections Vocational training is a growing sector that provides education and training to people seeking specific job skills. As more industries require specialized skills, vocational training schools are becoming increasingly popular. This business plan will outline the setup of a vocational training school and its 3-year financial projections. The vocational training school will offer training and certification programs in various fields such as healthcare, IT, and business. The school will be located in a busy commercial area with easy access to public transportation. The target audience will be individuals who are seeking career...
