Description:

What is a 13x4 lace front wig? The term 13x4 refers to the size of the lace frontal on the wig. In the context of lace front wigs, the numbers denote the dimensions of the lace frontal piece in inches. Therefore, a 13x4 lace front wig has a frontal piece that measures 13 inches across the forehead and 4 inches back along the hairline. This generous size allows for a more natural and customizable appearance, as the wearer can part the hair in various ways and achieve a realistic-looking hairline. Construction and features: To truly appreciate the beauty and functionality of a 13x4 lace front wig, its essential to delve into its construction and features.
