Address: 606 Baltimore Avenue Suite 407, Towson, Maryland, United States

Price: Check with seller

Description:

When a married couple is looking to get divorced, some issues need to be resolved, in order for both parties to move forward in life separate from one another. Separating the marital assets, agreeing on custody arrangements for the children, and figuring out any alimony payments, are just a few of the many topics that will need to be discussed. If you want more control over your future then working towards a settlement with your spouse is a great way to accomplish that.
