He is looking for his forever home as soon as possible! He is 3 months old and a very sweet boy who likes to play and cuddle. He is going to come with a crate (he is crate trained), food, some of his toys, and a information packet for him. We are asking for a rehoming fee of 2 hundred, and we are willing to drive a little bit as long as he goes to a home where he will be loved. Please text me at (334)539-5630 for more information!
