Phone: 1-415-510-0127

Address: 1 Market St, San Francisco, California, United States

Price: Check with seller

Description:

Do you want to get the help of a real estate mentor before moving into the world of real estate? If you are new to this field, then FAT Homes can help you understand the crucial info about buying and selling properties. Our expert team uses its knowledge, analytical skills, and market trends to identify a worthy investment. Also, they guide you through every process of flipping properties to build an asset or create a passive income. Apart from that, you will understand about the perks and drawbacks of the real estate.
