Description:

An international student must obtain permission from their DSO (Designated School Official) in order to work on OPT. Following that, individuals have 30 days to apply to the USCIS for an EAD (Employment Authorization Document). OPT is a work permission granted to F1 Visa holders who are students. It is compatible with any degree programme in any US-based college course. Although it can be difficult, finding OPT jobs is not impossible. With the right advice and approach, one can rapidly accept a respectable employment offer. You can work for any employer of your choice, provided that it is directly relevant to your field of study. Reporting the new job to the SEVP OPT Portal is required. For additional informati...
