### Description:

Acellus Academy is an accredited online school for students in Grades K-12. Students receive personalized instruction through an accelerated teaching model in which students study and learn at their own pace. The school offers a wide variety of courses for elementary school, middle school, and high school including electives such as STEM, Foreign Languages, Fine Arts, Business, Finance, Health and more. Additionally, Acellus Academy offers NCAA approved courses nineteen Advanced Placement (AP) courses approved by the College Board. This schooling option affords students the flexibility to study from home while still earning a high school diploma from an accredited high school. Catering to diverse learning needs...
