Address: 110 East 23rd Street, 3rd Floor, New York, NY, New York City, New York, United States

Price: Check with seller

Description:

Chiropractic care is a manner to diagnose and deal with fitness problems that have an effect on the nerves, muscle tissues, bones, and joints of the frame. A fitness care company who affords chiropractic care is referred to as a chiropractor. Hands-on adjustment of the spine, called spinal manipulation, is the premise of chiropractic care.
