**Description:**  
Feel free to email: [freddieglossner@juno.com](mailto:freddieglossner@juno.com) . This is a one owner Florida truck, with 140,000 highway miles. As you can see in the pic's, it was well taken care of. The 10 ply Michelin tires have approx 7,000 highway miles. All service was done either at Sarasota Ford (location of purchase), or a Ford certified mechanic. When I bought the truck, I pulled the cloth mats, and have now placed them back in the truck. Essentially, the mats are 'brand-new'. This truck has been my baby since day one. I have changed profession, and simply do not use the truck enough to justify keeping it, or I certainly would. Since changing profession, I invested in a Super Chip Tuner to increase fuel mileage, so the tuner comes with...
