**Description:**

If you have questions email email me at: sanorasnnicolais@oneuk.com . 1971 Oldsmobile Cutlass Supreme 455 Big Block This car is a torque monster with 500 ft.lbs of torque. The 455 was rated at 365 H.P in 1971 for insurance purposes. What a joke in actuality it's at least 425 HP. 1971 was the last year of high compression big horse power for muscle cars. This car only has 70,000 org. miles. Paint is very good only a couple of little bubble spots. Motor is matching #'s and is very, very, strong. The interior has a crack on dash & drivers side headrest otherwise it's in mint condition. The car has p.s & a.c. I just had a front end alignment & 4 brand new tires put on. The car drives as straight as an arrow & is ve...
