Description:

Absolutely SPECTACULAR Lynx Fur FULL LENGTH coat by T. Zander & Sons which is a well known quality furrier in New Jersey. This GORGEOUS coat has AMAZING style throughout; from the vertical design layout of the pelts to the fluffy collar, to the remarkable cemetery of the design, this coat is beautiful! The long guard hairs around the collar and arms give this coat a very GLAMOROUS look. Sleeves are full and then have a narrow cuff at the bottom of the sleeve. The fur is super shiny, soft, supple, fluffy, with NO rips, stains or balding fur. The inside is lined with a dark brown satin lining which, as mentioned above, has some really light blemishes (I think it is from wearing it in the snow - see last photos). ...
