Description:

THIS IS A TRIBUTE CAR NOT ORIGINAL The formula cooked up by Dr. Oldsmobile was simple but devastatingly effective: take the new 455 big-block V-8, stuff it with a beefy bottom end and a radical high-lift, high-duration cam, and balance and blueprint it. Top it with big-valve heads and a special large-bore Quadrajet 4-barrel carb, then wrap it up in a handsome body with a luxurious cabin and road-ready underpinnings. Finally, open up the hood so it can breathe lots of fresh air, and then hit the road in this snarling beauty known as the W-30. That was the theme in 1970 when Olds introduced one of the fastest and most well-appointed muscle cars ever built, and it was all the better for the lucky souls who tooled ...
