Description:

1995 Cheetah Bow Rider 21' \$12,900 Cheetah Boats have been manufacturing quality boats since 1963 in beautiful Lake Havasu City, Arizona. Their attention to detail and complete in-house manufacturing facilities are two important reasons why Cheetah is one of today's most sought after boats. This 21' Bow Rider is powered with Mercury 3.1, 225 horsepower outboard that will hit speeds at 60+ mph. Very well maintained and cared for, this Cheetah is definitely an eye catcher. And, to sweeten the pot, this boat comes equipped with life vests, two anchors, ski tow rope and Eliminator Graphite Skis with Connelly Boots! Think you can handle that? Come in and check it out for yourself. Length: 21' Beam: 7'-9" Dry Weight:...
