Description:

For Sale: 1985 H-D FXRS 1340 Lowrider with original 20,930 miles. This Harley is in very good condition, with custom exhaust, two-tone white and dark-blue high gloss finish, and lots of chrome. It was very well maintained and always garaged. It still has good tires, perfect disc brakes, strong battery and no leaks. Features a 19" front and 16" rear Cast Aluminum wheels, an oil cooler, pullback handlebar with riser and a double step Corbin seat. The engine runs strong and overall the bike handles great! The only flaw is a damaged paint on the right side of the gas tank as shown. With that repaired and some TLC this bike can be brought back without much effort to its great condition. This rare classic is ready f...
