Description:

Granite Excavation & Construction has been proudly serving Oklahoma for many years now. Tyler started moving dirt 17 years ago and became incorporated in 2006. We are an Oklahoma based site Excavation Contractor (Insured) providing a vast number of excavation services, large & small (from large sized commercial jobs down to ponds). We provide a complete array of professional excavating services to general contractors, developers, and land owners. Let us show you what we can do! Call for a free estimate.
