+ Free Worldwide Register Shipping + Express delivery available + Color available : As shown in pictures - IP6G-0659 1. Concise.It is simply shaped,and is turned to leave a pure and comfortable impression on everybody. 2. Functional.The leather case can fit your phone well and make a big difference on protecting your iPhone6 from water,dust,scratch,shock,slip and so on.You can put your mobile phone into it,insert a card in the slot and even make it stand when you watch TV or movie with it's holder. 3. Convenient.All buttons and ports are accessible. 4. Portable.It is unnecessary for you to take it off once your iPhone6 puts it on because it is quite thin and light. 5. Durable.With good performance and high qual...
