Please message me with questions at: [andree.dockett@offcolormail.com](mailto:andree.dockett@offcolormail.com) . This 2014 Kia Cadenza SXL, is equip with Technology package and Luxury package.. This is the top of the line in the Cadenza . I am amazed on the performance, all the options this car has ,you cannot ask for anything more. This car has a little over 21,000 miles . I am currently driving it daily adding about 25 miles a day. The MSRP on this vehicle was \$41,000 , some of the features are ( full screen Navigation touch screen ) back up camera , 19" wheels , panoramic roof , Napa leather seats with A/C ventilation , adaptive HID headlights , heated steering wheel , blind spot detection , adaptive cruise control , L.E.D fog lights and Kia's first...
