Description:

BAGS (Basements, Attics, Garages, Services) provides a clean-out/ trash-out service. We have been in business for over 15 years and We love dirty jobs! We find our services to be beneficial in the following situations; The death of a loved one, downsizing, moving, cleaning out your garage, attic, storage, back yard basically any place you have unwanted clutter that needs to be disposed of. We are not a cleaning service however if contracted we can add it in to leave the home or space clean and presentable. We also offer other services related to the clean out, if interested please contact Sara. We Offer Free Estimates and once the contract is signed we will start immediately! *I have an out of state number but ...
