Hard to find floor plan. 2016 183g rPod travel trailer - we just don't have time to use it. It is lightweight and v-6 towable. This floor plan with the garage and dry bath was only manufactured in 2016. Included is the BBQ grill (never used) and stand to use with propane hookup at rear of trailer. It comes with all the options shown in the video. Solar ready. We purchased it in June 2016 and have only used it three camping nights. Located about 5 hours N of Ft Collins.
